## COMMANDING FAMILY HOME IN A HIGHLY DESIRED ADDRESS!

Welcome to this captivating family home, poised in an elevated position, set on a rarely travelled, quiet path amidst Hahndorf's central township.

Recently extended from its' humble beginnings, this home has felt the warmth of empathetic renovations. The views from within expand skyward through large windows, capturing every last Sun ray Winter delivers.

All four bedrooms are excellent in size, with built in robes, reversible ceiling fans and wall panel heaters (that can be set manually or via mobile app) ensuring all year comfort.

The master suite is just this; a suite with ample room in the bedroom, walk in robe and beautifully appointed en-suite. The adjoining second living room has endless uses for any family.... let this be yours.... gym/yoga zone, hobby room, parents retreat, art studio.... what would you do? - It's an exciting space!

Keeping homage to it's original features, a raw and industrial exposed brick step leads you to the main living room, the perfect place to nest by the roaring flames of the Nectre slow combustion heater in Winter... Or, open

Immerse yourself and your inner chef within the huge kitchen, where it's time to get used to all that space of utilising a 900mm cooktop and oven, let alone the 3.2m island bench that is nothing short of the ultimate meeting point for family routines and social gatherings.

And when we are back in the full swing of at home entertaining, be prepared to be asked to host! The overflow from the kitchen is seamless into dining area. Bring your 12 seater dining table, because there is more than enough room.

Outside, within a fully fenced rear yard, enjoy collecting free range chook eggs from the 'girls', a universal easy care lawn space and an enticing salt chlorinated pool, no doubt a real winner for this summer to come.
