effortless everyday living.

Reverse cycle ducted air-conditioning means year round comfort and multiple built in cupboards provide excellent storage.

Then comes the showstopper.

The open-plan dining and living area is inviting as it stands, yet with a simple slide of the connecting doors, it merges seamlessly with the alfresco zone complete with outdoor heating, ceiling fan and gas connection for the BBQ, creating one expansive 5-star entertaining space. With café style Ziptrack blinds enclosing the external area, this becomes a true all-season room, perfect for family celebrations, Summer evenings, and cosy Winter gatherings.
