OH, THE SERENITY!

** OPEN Sunday 26th June @ 3.30pm - 4pm **

This is a place you'll never want to leave! The roar of the wood fire, the smells of dinner in the oven, the warmth of timber floors underfoot and incredible views from every window. All the elements - rain, mist and the sun's rays - are captured with the most magical of soaring hills as a backdrop, a picture that is ever changing. With no neighbours in sight and 2.5 acres to play with, this has all the feels to make for a perfect retreat.

Originally a humble home, it has since seen extensive renovations. The kitchen is a real 'wow' statement, with hidden fridge amidst soft close cabinetry, there's a 900mm freestanding cooktop and oven, Meile dishwasher and it's completed with stone benchtops and stunning subway tile splashback.

The bathroom, also beautifully renovated, offers a deep bath and all the modern accessories to make you feel like you're being pampered every day.

Generous in size in all the areas that are important for convenient day to day living, this home exceeds. The master is surprising spacious, with built in robes, as does bedroom 2 have built in robes and room for two single beds.
